

Greenie Softball Clinic

March 9th, 2025

Leeds High School Softball Field

For Players:

- A modified, age-appropriate practice led by the LHS coaches and players
- An introduction to how we practice, the drills we run, and how we transition.
- A fun introduction to basic softball skills.
- Getting to know current players and coaches and begin building relationships with the LHS Softball Program

For Coaches

- An introduction to how we practice, the drills we run, and how to be most efficient.
- An introduction to skills that will help players grow and succeed.
- Free practice and game resources that you can apply to your team this year.
- Getting to know current LHS coaches and building relationships to help grow Leeds Softball as a whole.
- Will eat following the practices and have a chance to clinic with LHS Coaches and ask questions/receive resources.
